A Lost Boy.-Yesterday evening a little boy outered our counting-room, and wanted to know pears to be a very intelligent lad, and gives us the following facts, which we publish, in the hope this article muy reach thu eyo of some friend or relative of the family.

He said his name was Annary Jacanes Billing that he was in his ninth year; was born in Knoxville. His father, Jawas Ett.is, was a machinist, and worked in the Georgia Railroad Shops, Knoxwille, up to the time of his death, which occurred about four years ago. Shortly after his father's death his mother moved to Georgia-first to Maeon, and from there to Atlanta, where she has lived the last two years. Finding it almost impossible to earn enough by her needle to support berself and two children, and fearing to risk the winter in Atlanta, she concluded to come back to Tennessee and hunt up some of her relatives. Upon her arrival in this city last Wednesday,

she was destitute of means, and, being unable to ascertain the wherenhouts of friends she under stood had removed to Nashville, she accepted the hospitality of a negro woman on College Ilili. Little Annua says he went out to play the next morning, and on returning to the house, he found his mother and brother gone. He has been hunting hor since yesterday, but has been unable t find where she went to. He says his mother's name before marriage was Many Lun, daughter of Jons Lau, of Knoxville. His brother is six years old, and named ALEXANDER ELLIS. The little fellow views the matter in a phile sophical light, and says if he cannot find his mother, he must bunt a home, where he can work and make himself u soful.

A LAWSCIP IN PROSPECTIVE.-A few Lags age a negro was arrested and committed to jail, charged with committing a penitentiary offense. He was the lawful owner of two very fine mules, and on the day of his arrest sold his team to a gentleman, and gave him a bill of sale. Yesterday we conversal with another person, who claims possession of the mules by virtue of a deed of trust drawn some thirty days ago. This deed of trust was not recorded until yesterday morning. Of course the party in possession of the mules will refuse to give thom up unless compelled by law : and the gentleman who holds a dood of trust given him to secure a debt the negro ewed, will hardly fail to test the right of possession of the property by an appeal to a court of equity.

WINTERISH. - The weather since Thursday evening has been on the winterish order. Woolen clothing has been in demand, many of our citizens donning their overcoats. At Louisville they had a snow storm, on Thursday night.

To BE TRIED THE MORNING. - SAMERS WEST and Ww. Junes, for drunkunness, and Noan Parrunson, for vagrancy, were taken to the workhouse yesterday afternoon. They will be tried

Some fit of sinkness is creeping upon you, and should be averted by a timely use of the right remoty. Take Ayer's Pills, and cleanse out the disordered humous-purify the blood, and let the finide move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges its natural functions. These, if not redieved, react upon themselves and the surrounding organs, producing general asgravation, suffering and derangement. White in this condition, take Aper's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health scale. What is true and so apparent in this trival complaint is also true in many of the deep seated and dangerous distempers. The same purgalive effect capels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as fleadache, Foul Stomach, Dysentery, Billous Complaints, Indigestica, Derangement of the Liver, Continues, Constipuism, Heartburn, Rheumatism, Dropsy, Worme and Suppression, when taken in large doses.

They are Singar Coated, so that the most sensitive can take them easily, and they are surely the best purgalive medicine yet discovered.
